To Whom It May Concern:

It is my pleasure to recommend the services of National Engineering and Repair Corp. to you. During the past few years, we have worked directly with Marty Boll, President, and his teams on numerous flooring projects. The company offers exceptional quality and service.

Our most recent project required installation of more than 16,000 s.f. of cleanroom flooring on a very tight and accelerated schedule. Mr. Boll and his team provided excellent communication and surpassed our expectations on the project.

It gives me great please to recommend the services of National Engineering and Repair Corp. I look forward to working with them again.

Sincerely,

A handwritten signature in black ink that reads "David Bumpous". The signature is written in a cursive style and includes a horizontal line extending to the right from the end of the name.
